Notice Regarding Regulatory Approval of China WOMA’s Locally Manufactured “Artificial Hip Joint Products” and Commencement of Sales in the Chinese Market

Changzhou Waston Ortho Medical Appliance Co., Limited (“WOMA”), a joint venture established in the People’s Republic of China (“China”) and located in Changzhou, Jiangsu Province, has recently obtained regulatory approval from the National Medical Products Administration (NMPA) for its locally manufactured artificial hip joint products.

As a result, in addition to its locally manufactured artificial knee joint products that are already being sold, WOMA will also commence sales of artificial hip joint products in the Chinese market.

1. Artificial Hip Joint Products with Regulatory Approval

- Product Names:
 - ① OVATION Hip Stem (Chinese: 喷钛股骨柄-L, English: Titanium Femoral Stem – L)
 - ② OVATION Tribute Hip Stem (Chinese: 喷钛股骨柄-S, English: Titanium Femoral Stem – S)
 - ③ Femoral Head (Chinese: 钴铬钼球头, English: CoCrMo Head)
 - ④ Escalade Cup (Chinese: 髌臼杯, English: Acetabular Cup)
 - ⑤ Liner (Chinese: 髌臼内衬, English: Acetabular Liner)
- Medical Device Approval Number: 国械注准 20263131189
- Intended Use: Artificial hip joint system

2. Sales Launch Schedule in China

- By the end of October 2026:
Completion of manufacturing of artificial hip joint products and preparation of inventory for sales
- December 2026:
Scheduled sales launch

3. Future Outlook

Since the launch of our locally manufactured artificial knee joint in January 2025, it has been used in 2,067 cases to date. With the addition of the artificial hip joint products, further sales growth in China is expected.
