Notice Regarding Approval for Change of Market Segment to the Tokyo Stock Exchange Standard Market and Withdrawal of the Plan to Comply with the Prime Market Listing Maintenance Criteria

The Company hereby announces that it received approval today from Tokyo Stock Exchange, Inc. ("TSE") for a change in the market segment of the Company's shares from the Prime Market to the Standard Market.

In addition, in connection with this approval, the Company hereby withdraws, as of today, the plan to comply with the Prime Market listing maintenance criteria that was announced on June 3, 2026.

1. Outline of the Market Segment Change

Item	Details
Current Market Segment	TSE Prime Market
New Market Segment	TSE Standard Market
Effective Date of Market Segment Change	November 27, 2026
Securities Code	7600 (unchanged)

2. Background of the Market Segment Change

In the "Plan to Comply with the Listing Maintenance Criteria (Market Capitalization of Tradable Shares), Including the Initiation of an Improvement Period and Consideration or Application for Change of Market Segment," dated June 3, 2026, the Company announced that, as of March 31, 2026, it did not meet the Prime Market listing maintenance criterion for market capitalization of tradable shares.

In that announcement, the Company stated its policy to apply for a change of market segment to the Standard Market in order to reduce uncertainty regarding the maintenance of its listing, after comprehensively considering factors such as the Company's business scale, shareholder composition, stock liquidity, and market environment.

3. Withdrawal of the Plan and Future Policy

In connection with the approval of the market segment change, the Company hereby withdraws the above compliance plan as of today. Even after the market segment change, the Company will continue its efforts to enhance corporate value by strengthening profitability, improving capital efficiency, and enhancing IR and information disclosure, while maintaining ongoing dialogue with shareholders and investors.
